

Instructions for Ordering CPP Brochure from Vistaprint

You can order professionally printed brochures and CPP Symptoms Screeners from Vistaprint.

- Go to the CPP Portal: <http://cpp.go.customprintcenter.com//register>
- Create an account
- Once you do this, you can order professionally printed brochures and the CPP Symptom Screener
- To customize the brochure with your agency information, click on "customize and order"
 - You will notice that as you update information for a field, it updates it on the image.
 - If you do not need a line on the brochure (e.g. you only need one line for clinic name), go to the field you do not need and leave blank. This will remove it from the brochure once you move to the next field.
- In the future, you can access your account by logging in at: <https://cpp.go.customprintcenter.com/>
