Statewide Non-Profit Organization

A connection hub, knowledge center, & funding vehicle

Non-profit organization formed in 2021 coordinates CPP sustainability across NH and facilitates flowthrough of state funds for CPP implementation. Staff connect with CPP agencies to understand successes and challenges and provide feedback to key stakeholders. Finally, nonprofit supports provider retention by creating a sense of community and by offering advanced trainings and therapy supplies.

Infusion of CPP Goals into Legislative Priorities

Policy partnerships lead to sustainability

A longstanding partnership with State Senator Becky Whitley, local foundations, and advocacy organizations marshalled insights from the CPP community to influence policy. A 2019 needs assessment report helped Whitley testify before state congress, where she pushed through 3 pieces of legislation,

Cross-Sector Training

Creating trauma-informed early childhood systems

Training on early childhood trauma helps non-mental health providers understand the needs of young children who have experienced adversity and fosters collaboration with CPP providers. These stakeholders then refer families to CPP services and jointly advocate for funding, policy changes, and additional workforce development.
